

# St. George Liturgical Ministers

3/3/2019		If any of these assignments don't work for you, please switch with somebody else. It is very difficult to try and schedule all these days and try not to get someone on in one place when they are involved in another. I apologize if I have inadvertently put you in more than one place on any one day. If you are unable to do the assigned job, please switch with someone or find a replacement. Thanks!
