Service is an integral part of a Christian's life. These forms will help you record the service you are already doing and/or the special project(s) you have chosen to do this year. You have two options:

Option A : Do two projects each for your **Family**, your **Parish** and your **Community**

Option B : Do one large, planned project alone or with other candidates (similar to an Eagle Scout project)

Option B Service Project:

Describe the entire project, including:

1. Who was served?
2. How were they served?
3. How and why did you pick this project?
4. Where did this project take place?
5. When did this take place (include all dates and approximate total times)?
6. Who helped you?
7. What did you learn. What was the hardest part, best part. Would you do it again?
